Finish

How to play the Game.

The object of the game is to become a safe traveller with Toby.

Up to four travellers can play. Choose your marker and place it on the "Start" square. Highest roll of the dice goes first. If you land on a "safe action square" you could gain another turn or move your marker forward. If you land on an "unsafe action square" you will have to move your marker backwards, or miss a turn. Game doesn't end until each player reaches the "Finish" square.
