

Service Change notification - Term 1 2024

SCHOOL SERVICE 7312AM & 7312PM

What?	School Service 7312am & 7312pm minor run alignment change and adjustment to the run times.
Why?	Due to traffic lights now being installed at Bribie Island Rd & Regina Ave and to better reflect the operational times of the services.
When?	From the beginning of Term 1, Monday 22 nd January 2024
Details	<p>The 7312am and 7312pm runs will <u>no longer</u> turn left from Regina Ave onto Bribie Island Rd and travel down to Bestmann Rd West roundabout and do a u-turn to travel back up Bribie Island Rd. Instead, this service will now use the traffic lights to turn right from Regina Ave onto Bribie Island Rd and resume the normal route from this point. This means that the service will no longer pick up or drop off at the bus stop on Bribie Island Rd near Regina Ave or Bribie Island Rd near Bestmann Rd West, instead students can get on or off the morning or afternoon service in Ranald Ave or Regina Ave. Please note that run times have also been adjusted for the morning & afternoon service.</p> <p>Students who may wish to still get on and off on the opposite side of the road at Bribie Island Rd near Bestmann Rd West stop will need to catch 7317am service or 7311pm service. Please contact our office for more information on the timings for these services.</p> <p>A copy of the updated run sheet for 7312 service can be found on the back of this notice, changes have been highlighted / shaded in green to make them easy to identify.</p>
Map	
Find out more	<p>The revised timetable will be available on Translink's Journey Planner from Monday 8 January, click the QR code to view more information. A copy of the run change information is also available on the Caboolture Bus Lines Facebook page and website www.cbust.biz Please contact our office on 5495 4744 if you have any questions about what the changes mean for your child.</p>
