What?	School Service 7370pm, minor run alignment change and adjustment to the run times.	
Why?	Due to traffic lights now being installed at Bribie Island Rd & Regina Ave and to better reflect the operational times of the services.	
When?	From the beginning of Term 1, Monday 22 nd January 2024	
Details	<p>The 7370pm run will <u>no longer</u> turn left from Regina Ave onto Bribie Island Rd and travel down to Bestmann Rd West roundabout and do a u-turn to travel back up Bribie Island Rd. Instead, this service will now use the traffic lights to turn right from Regina Ave onto Bribie Island Rd and resume the normal route from this point. This means that the service will no longer drop off at the bus stop on Bribie Island Rd near Regina Ave or Bribie Island Rd near Bestmann Rd West, instead students can get off the service in Ranald Ave or Regina Ave. Please note that run times have also been adjusted for 7370pm service.</p> <p>Students who may wish to still get off on the opposite side of the road at Bribie Island Rd near Bestmann Rd West stop will need to catch the 7364pm school service. Please contact our office for more information on the timings for this service.</p> <p>A copy of the updated run sheet for 7370pm service can be found on the back of this notice, changes have been highlighted / shaded in green to make them easy to identify.</p>
